# FORMING TOMORROW'S CHRISTIAN LEADERS

OUR MISSION is to bring souls to Christ by forming Christian leaders. We believe that our mission is best accomplished by partnering with parents to form the whole child through our educational philosophy of Integral Formation.©

Integral formation describes our four-pillared, whole-child philosophy of education - the harmonious development of all dimensions of the human person: intellectual, spiritual, human, and apostolic. We believe that educating a child means helping to develop their mind, soul, body, and heart.

INTELLECTUAL FORMATION
Seeking truth and understanding while developing curiosity and a thirst for knowledge.

SPIRITUAL FORMATION
Fostering a relationship with Christ through prayer and sacraments.

HUMAN FORMATION
Elevating the dignity of our students by helping them develop virtue and character.

APOSTOLIC FORMATION
Cultivating compassion and servant leadership through service and mission.

Putting this philosophy into practice, through the guidance of parents and teachers, we challenge our students to identify, develop, and use their gifts in service to others. Our graduates go forth to serve others and change the world as competent, courageous, Christian Leaders.

**INTELLECTUAL FORMATION** is the development of a well-formed mind. A well-formed mind achieves an essential purpose: the discovery of what is true. Your child will be encouraged to exercise his or her intellect through analysis, synthesis, relation, and expression. We educate students to have the mind of a leader: one who not only discovers truth but can also communicate, convince, and lead others to the truth.

**HUMAN FORMATION** focuses on forging integrity of character, the true foundation of joy. This is done through developing leadership skills, forming habits of virtue, and fostering personal responsibility and internalized discipline. Human formation is intended to make your child a man or woman of principle, a true leader, an asset for today and a necessity for the world of tomorrow.

**SPIRITUAL FORMATION** will guide your child to recognize the work of God in his or her life and encourage a close and personal relationship with Jesus Christ. This formation occurs in a spiritual environment that encourages the life of grace through daily prayer and practice of virtues, opportunities for sacraments, and theology classes that study the fullness of Catholic faith in all its richness.

**APOSTOLIC FORMATION** is generosity of self to Christ. Apostolic formation at Royalmont brings Intellectual, Human, and Spiritual formation into harmony by providing the opportunity for your child to discern Christ's call for his or her life, embrace that call and to bring others to know Him as well. We believe in instilling a "servant heart" in students.
